HAD A CLOSE CALL.

"A dangerous surgical operation, involving the removal of a malignant ulcer, as large as my hand, from my daughter's hip, was prevented by the application of Bucklen's Arnica Salve," says A. C. Stuckel, of McIntosh, W. Va. "Persistent use of the salve completely cured it." Cures cuts, burns and injuries. 25c at Crenshaw & Young druggist. 11-3ml

The best treatment for indigestion and troubles of the stomach is to rest the stomach. It can be rested by starvation or by the use of good digestant which will digest the food eaten, thus taking the work off the stomach. At the proper temperature, single teaspoonful of Kodol will wholly digest 3,000 grains of food. It relieves the present annoyance, puts the stomach in shape to satisfactorily perform its functions. Good for indigestion, sour stomach, flatulence, palpitation of the heart and dyspepsia. Kodol is made in strict conformity with the National Pure Food and Drug Law. Sold by Crenshaw & Young. 11-3ml

Good for everything is a salve used especially recommended for piles. That is what we say of DeWitt's Witch Hazel Salve. On the market for years and a standby in thousands of families. Get DeWitt's. Sold by Crenshaw & Young. 11-3ml

Need a good anesthetic? A pill is best. Say a pill like DeWitt's Little Early Rise. About the most reliable on the market. Sold by Crenshaw & Young. 11-3ml

"For the last year I starved, then I bought a 50 cent bottle of Kodol Dyspepsia Cure, and what that bottle benefited me all the gold in Georgia could not buy. I kept on taking it and in two months I went back to my work as machinist. In three months I was as well and hearty as I ever was. I still use a little occasionally as I find it a fine blood-purifier and a good tonic. May you live long and prosper."—C. N. Cornhill, Roding, Ga., Aug. 27, 1906. Are You Looking Ahead?

To the man looking ahead the Southwest has an urgent invitation. The opportunity is today when investment chances are good and homes can be purchased at from one-tenth to one-half the prices asked in the North and East.

To the Homeseeker.

Through the M. K. & T. Land Bureau, thousands of acres of rich farm lands (improved and unimproved), located along the line of the Missouri, Kansas & Texas R.R. in Missouri, Kansas, Indian Territory, Oklahoma and Texas, are now offered for sale. The lands are especially adapted to the growth of corn, wheat, oats, fruits, vegetables, rice, cotton, sugar cane and for stock raising. The lands are well located as to markets, schools, etc.

To the Investor.

All over the Southwest cities and towns are growing up, expanding, requiring more, demanding more, peopled by enterprising, wide-awake citizens, who see the virtue of encouraging enterprises of every kind. The needfulness of getting more of better health, and more hands to develop the country. The oil and gas fields of Kansas, Indian Territory and Oklahoma are practically new, and offer wonderful opportunities for development along commercial lines.

BRIEFLY THE CONDITION IS THIS:

The Southwest is really in need of nothing save people. More men are wanted. In the Southwest are vast areas of unimproved land—land not yielding the crops of which it is capable. The same thing in a different way, is true of the towns. Few lines of business are adequately represented. There are openings of all sorts—for mills and manufacturing plants, for small stores of all kinds, for hotels, newspapers and lumber yards. Mechanics and professional men, both are in demand.

We are in possession of all sorts of information valuable alike to the investor and homeseeker. If you are interested, tell us what you want, how much you have to invest, and we will gladly furnish the information. Write today for a copy of our book "Business Chances." It's free. Address
